Frieda Wishinsky - Non-Fiction

Even though I had already read numerous biographies about Albert Einstein before this book, I enjoyed this well-done picture book. It was a great read and I loved the idea of a young student going to Einstein's house for an interview.

What's the Matter with Albert?: A Story of Albert Einstein ...

Albert Einstein was born in 1879 in Germany, the first child of a bourgeois Jewish couple. The young Albert displayed an early interest in science, but he was unhappy with the principles of obedience and conformity that governed his Catholic elementary school. At the age of ten, he began attending the Luitpold Gymnasium,

Frieda Wishinsky - Bio

This is an outstanding entry in a fine series. The author, Frieda Wishinsky, really makes you understand Albert Einstein both as a scientist and as a human being. Her clear yet thoughtful text lets readers explore the contradictions of a brilliant man--and still shows Einstein as a towering giant of the 20th century. Great book, highly recommended!
