All of my transcriptions are in PDF form, originally done in Finale, and are available only in notation. I don't use tab in my teaching or personally in my own playing, and I think notation is the most accurate representation. In general, I'm interested in producing transcriptions that are not available elsewhere, rather than repeating...

The bass clarinet is a musical instrument of the clarinet family. Like the more common soprano B ♭ clarinet, it is usually pitched in B ♭ (meaning it is a transposing instrument on which a written C sounds as B ♭), but it plays notes an octave below the soprano B ♭ clarinet. Bass clarinets in other keys, notably C and A, also exist, but are very rare (in contrast to the regular A ...
