### Biblical Doctrine A Systematic Summary

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine

Systematic theology is not biblical theology; but if it would be Christian, it necessarily must rest upon biblical theology. Therefore, this paper, aiming primarily to determine a Christian belief, will have the following structure: First, I will examine the Old Testament teaching on the image of God; then, I will examine the New Testament teaching about the image; and third, through an ...

Systematic theology makes use of biblical theology and often builds on its results. At some points, especially where great detail and care is needed in the development of a doctrine, systematic theology will even use the same methods as biblical theology, analyzing the development of each doctrine through the historical development of Scripture.

Introduction. Because the word trinity is never found in the Bible some wonder about whether this is a biblical doctrine or not, but the absence of a term used to describe a doctrine does not necessarily mean the term is not biblical. The issue is, does the term accurately reflect what the Scripture teaches? In reality, due to the incomprehensible nature of the truth this term reflects, some ...

The Bible (from Koine Greek τὰ βιβλία, tà biblíā, 'the books') is a collection of religious texts, writings, or scriptures sacred in Christianity, Judaism, Samaritanism, Islam, Rastafari, and many other faiths. It appears in the form of an anthology, a compilation of texts of a variety of forms that are all linked by the belief that they are collectively revelations of God.

Perhaps another way to think about biblical theology is to think of it in contrast to its important companion, systematic theology. In systematic theology, we ask what the whole of the Bible has to say about a particular topic such as sin, justification, the Holy Spirit, the nature of God, or humanity, and put it into a coherent summary.

Philo's biblical tradition in which one could not name or describe God was the major factor in accepting the Greek Platonic concepts and emphasis on God's transcendence. But this position is rather alien to biblical and rabbinical understanding. In the Bible, God is represented in a "material" and "physical" way.

Salvation encompasses both the physical and spiritual dimensions of life, having relevance for the whole person. The objective basis and means of salvation is God's sovereign and gracious choice to be "God with us" in the person of Jesus Christ, who is described as both author and mediator of salvation through his life, death, and resurrection.

6 Lessons: There are many denominations, divisions and theological disputes in the modern church. But despite these types of disunity, there is a common core of belief that all faithful Christians have affirmed throughout history. And for almost two millennia, this core of belief has been summarized in the Apostles' Creed. This series explains the history and use of the Apostles' Creed, as ...

Justification is the declaring of a person to be just or righteous. Being justified is a forensic term, opposed to condemnation. As regards its nature, it is the judicial act of God, by which he pardons all the sins of those who believe in Christ, and accounts, accepts, and treats them as righteous in the eye of the law
