I wrote Understanding Academic Freedom to help faculty members, college and university administrators and trustees, and even, I hope, legislators and concerned members of the general public learn more about this concept so that it may be applied more appropriately and wisely. It seemed to me that the need for a concise and accessible survey and comprehensive introduction to the concept in all ...

Until 1987, The Serco Group was RCA Services Limited, the British arm of a fading American conglomerate the Radio Corporation of America. Following the takeover of RCA by General Electric in late 1985, RCA Services Limited was bought out by its local management. It changed its name to Serco in 1987 and has been listed on the FTSE 250 since 1988.

1. Introduction. Few natural products have been claimed to successfully treat such a wide range of disorders as has chocolate, the main processed byproduct of the bean of the Theobroma cacao plant, as Carl Linnaeus named the "chocolate tree" in 1753 []. The earliest evidence for the medical use of chocolate are to be found in Mesoamerican civilizations: iconographic works and fragments ...

Chocolate in History: Food, Medicine, Medi-Food

This article uses quantitative and qualitative approaches to review 75 years of international policy reports on antimicrobial resistance (AMR). Our review of 248 policy reports and expert consultation revealed waves of political attention and repeated reframings of AMR as a policy object. AMR emerged as an object of international policy-making during the 1990s.

Waves of attention: patterns and themes of international ...

In the same issue of the British Medical Journal (BMJ) on 3 July 1948, the editor was not so sanguine. While seeing the logic of spreading the high cost of illness over the whole of the community, it saw dangers in a state medical service, dogma, timidity, lack of incentive, administrative hypertrophy, stereotyped procedure and lack of ...
