Forgotten is a well-written and interesting sci-fi book. Unfortunately, I have one major problem with it. I at least dislike, if not outright hate, the MC (Main Character). The more I read, the more I disagreed with the MC's actions and the less I enjoyed Forgotten. By the end of the book I was glad I was finished.

The Forgotten, is the first book in The Lux Guardians. Although categorized as Dystopian, it's a mix of Steampunk and Science Fiction with a Fantasy feel to the story. I enjoyed the beginning Dystopian elements, learning about Forgotten London and seeing a dark side to the futuristic society that the author created.

Laurence Rosenthal's score to the 1989 telefilm The Forgotten serves as a powerful example of one of Rosenthal's greatest strengths as a film composer: his ability to write music that not only fits the action, but speaks with great clarity to the underlying truth of the characters. The characters are tortured individuals in wrenching circumstances, and Rosenthal's music does not shy away from ...
