It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

How To Succeed In Your

You've got to see your success in your mind's eye even before it comes. Successful people clarify and get that certainty about what they want their reality to look like rather than being mere spectators of life. 14. Be a One-Off Original. Successful people look for what's working and then create a unique spin on it.
