MIG Series

Ok, I know I am opening a can of worms here, but here we go. Which 240v Mig WElder should I buy? I am not new to welding, in fact, I am a welder by trade, (Retired Hurt) but I have NEVER used a single phase welder. I have read through a few threads tonight, & I am still none the wiser. The machine is not likely be required for anything over about 4mm, & I have a very good stick welder if I do ...
