respect and in turn greeted the odd-looking visitors as guests. For many indigenous nations, however, the first impressions of Europeans were characterized by violent acts ...

Native American - Native Americans and colonization: the ...

During the colonial period, Native Americans had a complicated relationship with European settlers. They resisted the efforts of the Europeans to gain more of their land and control through both warfare and diplomacy. But problems arose for the Native Americans, which held them back from their goal, including new diseases, the slave trade, and the ever-growing European population in North America.
