Sex, Death, and the Superego : Updating Psychoanalytic ...

This book is a personal reappraisal of psychoanalytic theories in the light of clinical experience. The first part is about sexuality and begins where psychoanalysis began, with hysteria. The second part is about the ego and the super-ego, the relationship of which dominated Freud's writing from his middle period onwards.

The chapter shows that the narcissistic object relations developed by the patient, the "twin soul" relationship, is an alliance formed to oppose a murderous superego, represented by the "old woman". It suggests that narcissistic disorders arise when there is a failure of containment in infancy and childhood, which gives rise to an ego ...
